

DINO-POWER

X20C

High performance cordless paint sprayer. Supports up to 227 bar with 0.021 inch max tip. Sprays up to 45 mins continuous working on a fully charged battery (Using 517# tip @ 150Bar). Expanded application capability to spray anywhere!

Features:

Cordless & High Performance

All the performance of a corded X20 along with the freedom from power cords, electrical outlets or generators.

Experience the power and freedom to spray every job faster

Durable Piston Pump

Long life V-packings, Piston Rod and hardened stainless steel cylinder lasts longer

Large Battery Capacity

45-minutes of runtime when used with 517 @ 150 Bar spraying pressure

Adjustable Pressure Control

Delivers an extended battery run time when spraying at low pressure.

Cordless Airless Sprayer

The X20C is light weight and makes it easier to move and transport. Stop wasting time dealing with long extension cords. Setup where you want instead of where the power is located. Consistent, all-day spraying power without power fluctuations.

Includes:

X-450 Airless Spray Gun, 517# Airless tip, 1/4X15M High pressure hose, 2*20V 5.0Ah Battery, Charger, 45cm extension pole, Lubricating oil, Manual.
